Agenda:

1. Decision on Conference theme for NAPA 4th Biennial International Scientific Conference

Decision:

1. After a rigorous discussion on the submitted 14 themes and beyond, the conference organizing committee, along with EC members and advisors, decided on "**Climate-Smart & Innovative Agriculture**" as the theme for the 4th Biennial International Scientific Conference.
2. The names of the theme contributors will be presented at the conference. The meeting expressed sincere thanks to all contributors and the participants.
